About LITHUANIA - <https://www.lithuania.travel/en>

Date and time

13- 14 May, 2024
Monday 09:00 – 17:00 and Tuesday 09:00 – 16:00

Audience

The workshop will be relevant to anyone involved in measurements and testing processes in the chemical, medical or microbiological laboratories, for example: laboratory technicians and managers; measurement instrument manufacturers; representatives of accreditation bodies, metrology institutes and standardisation bodies; technical assessors and customers of laboratory services.

Invited Contributions and Posters

The Scientific Committee of the Workshop invites participants to submit abstracts on related topics.

Abstracts presented according to the format available from the website shall be submitted before **7th April 2024**. Submitting authors are asked to indicate their preference for an oral or poster presentation.

Proposed abstracts will be subject to approval as a short oral (contributed talk) or poster presentation by the Scientific Committee (SC). The SC consists of national and international experts in the field. Submitting authors will be notified of acceptance before **17th April 2024**.

Language

The working language of the workshop will be **English**

Registration

The workshop is planned as an on-site event. The registration fee for 2 Workshop days - **390 EUR** (includes taxes, refreshments, lunches and Workshop Reception).

IMPORTANT: participant registration fee after 8th April 2024 will be 490 EUR.

Please register **by 1st May 2024** at the latest: www.eurachem.lt/eurachem2024

All interested persons can participate in the workshop. However, the number of participants is limited. Registrations will be considered on a first-come, first-served basis.

Cancellations made after invoicing will be charged a fee of 100 EUR per person for administrative expenses. Cancellations must reach us in writing by **1st May 2024** at the latest; after this deadline the full participation fee will be charged.
